Why must Interport Logistics, LLC obtain authorization or power of attorney (POA) in order to facilitate U.S. export clearance via AES (Automated Export System) for a standard export transaction?

Authorized agents or Forwarders are required by law to obtain authority from the USPPI in a standard export transaction who has enlisted the services of the forwarder. This is stated in the Foreign Trade Regulations (FTR) of the U.S. Census Bureau 15 CFR 30.3 (c) (2) (ii). In a routed export transaction, we must obtain the POA from the Foreign Principal Party in Interest (FPPI) 15 CFR 30.3 (e) (2).

What if my export shipment does not require the Electronic Export Information (EEI) to be transmitted or I file the EEI myself?

For these transactions, Interport Logistics, LLC does not require POA to process the export shipment. However, if for some reason you require Interport to sign any other export document on your behalf (eg. Letter of credit purposes or Certificate of Origin), Interport Logistics, LLC must obtain written authority to do so.

What options do I have in providing Interport with authority to file my EEI via AES or to sign any other export documents on my behalf?

- 1) Complete the attached Export Power of Attorney form. It is valid until written revocation is received or an expiration date is added. An original form is not required.
- 2) Complete a Interport Logistics, LLC Shipper's Letter of Instruction (SLI) form by signing box 25 on this form, you are giving Interport Logistics, LLC the required authority for the single export transaction declared on the SLI. You will need to provide this form for each shipment which requires EEI to be transmitted via AES or for Interport to sign any export documents on your behalf. Original form is not required.
